

Projects in Ukraine supported by the Norwegian Ministry of Foreign Affairs in 2009 (Updated August 2009)

Project partner	Project description	Grant in NOK	Contact details
Norsk Energi	<p>Sustainable Capacity Building for Climate Change Mitigation projects in Ukraine</p> <p>Ukraine is one of the largest industrial countries in Europe and as such contributes substantially to greenhouse gas emissions. The Green Investment Scheme, which will supplement the Joint Implementation mechanism under the Kyoto Protocol, is now being implemented. The legal framework is in place, but procedures for project evaluation and local capacity for identification and development of investment projects are needed. Norsk Energi will support Ukraine in improving project evaluation procedures and developing investment projects.</p>	1,2	Norsk Energi, Pb 27 Skøyen, NO-0212 Oslo, Norway Tel.: +47 22 06 18 00
