

**ROYAL NORWEGIAN
MINISTRY OF FOREIGN AFFAIRS**

The Royal Ministry of Foreign Affairs presents its compliments to the Heads of Mission resident in Oslo and has the honour to bring forward information on how foreign mission personnel residing in Norway can acquire a print of a verifiable COVID-19 certificate.

The digital COVID-19 certificate is accessible through the app Helsenorge, which requires a security 4 electronic ID. For non-digital users and users without Bank-ID or Buypass, a print of a verifiable COVID-19 certificate showing vaccination status and undergone COVID-19 infection is available. As the COVID-19 certificate contains health information, personal data protection regulations apply. Foreign mission personnel and dependent family members may request a print of their COVID-19 certificate by sending a signed letter and a copy of their passport in a sealed envelope to the Norwegian Health Economics Administration (Helfo). Please see the attached sheet with details and instructions.

The Royal Ministry of Foreign Affairs avails itself of this opportunity to renew to the Heads of Mission resident in Oslo the assurance of its highest consideration.
