

APPENDIX 6.F.1 TO ANNEX 6.F

INDIA – SCHEDULE OF SPECIFIC COMMITMENTS

Explanatory Notes to India's Schedule of Commitments

1. Alphabets indicated against individual sectors or sub-sectors and numbers in brackets are references to the Services Sectoral Classification List (GATT Document MTN.GNS/W/120, dated July 10, 1991).
2. The reference to “CPC” against specific sectors is a reference to the Provisional Central Product Classification (Statistical Papers Series M No. 77, Department of International Economic and Social Affairs, Statistical Office of the United Nations, New York, 1991), except for:
 - a. sectors where “CPC Ver. 1.1” is indicated, the reference is to the Central Product Classification (Statistical Papers Series M No. 77, Ver. 1.1, Department of International Economic and Social Affairs, Statistical Office of the United Nations, New York, 2002); and
 - b. sectors where “CPC Ver. 2” is indicated, the reference is to the Central Product Classification (Statistical Papers Series M No. 77, Ver. 2, Department of International Economic and Social Affairs, Statistical Office of the United Nations, New York, 2008).
3. The alphabetical and numerical divisions are only indicative of the description of specific commitments, but shall not be construed as being a part of the specific commitments.
4. The use of “**” against individual CPC codes indicates that the specific commitment for that code does not extend to the total range of services covered under that code.
5. The Schedule does not include measures relating to qualification requirements and procedures, technical standards, authorisation requirements and licensing requirements and procedures where they do not constitute a limitation within the meaning of Article XVI (Market Access) or Article XVII (National Treatment) of the GATS. These measures may include, in particular, the need to obtain a licence, to satisfy universal service obligations, to have recognised qualifications in regulated sectors, to have completed a recognised period of training, to pass specific examinations, including language examinations, to fulfil a membership requirement of a particular profession, such as membership in a professional organisation, to have a local agent for service, or to maintain a local address, or any non-discriminatory requirements that certain activities may not be carried out in protected zones or areas. While not listed, such measures continue to apply.
6. EFTA Members States’ Schedule of Commitments for Trade in Services shall not be used to interpret India’s commitments or obligations under Chapter 6 (Trade in Services) of the Agreement.
