

IPCEI now and tomorrow – The future of European cooperation in key technologies – celebrating the launch of IPCEI Hydrogen

Happened 17 December 2020 | 2:45 pm - 4:45 pm

Thank you! Dankeschön!

Dear all,

despite the late notice of the conference we all experienced a highly successful conference last Thursday and we would like to say thank you to everyone involved in making this happen.

Attached you will find our visual outcome that we will publish on social media and our website. Please feel free and invited to share and comment on our tweet (https://twitter.com/BMWi_Bund/status/1341049343005110282). The entire conference will shortly be uploaded to our website bmwi.de.

We look forward to the Portuguese Presidency picking up the momentum of this IPCEI conference. Thank you once again and a final good-bye from the industrial policy team within the German presidency of the European Council.

Wishing you
and your family a Merry Christmas
and a Happy New Year 2021.
