His Excellency
Mr Donald J. Trump
President of the United States of America

Dear Mr President,

In Paris, in December 2015, global leaders made a commitment. To our children. To future generations. To the world.

We must reduce global warming. The effects are already visible in all parts of our planet. It is of crucial importance that all parties stick to the Paris Agreement.

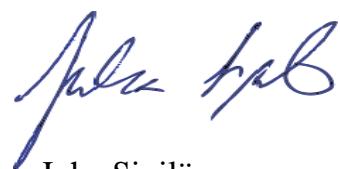

We strongly urge you to show global leadership – and to make the right decision.

With the very best of intentions.

Your Nordic Friends,

Lars Løkke Rasmussen

Juha Sipilä

Bjarni Benediktsson

Erna Solberg

Stefan Löfven
