# A better international refugee system?

Director General Frode Forfang

# Europe's external borders

# Uneven pressure on the countries

# The paradox of the right to asylum

# Preventing access to asylum:

- No legal access to our countries for asylum seekers
- Border controls
- Strict visa regime

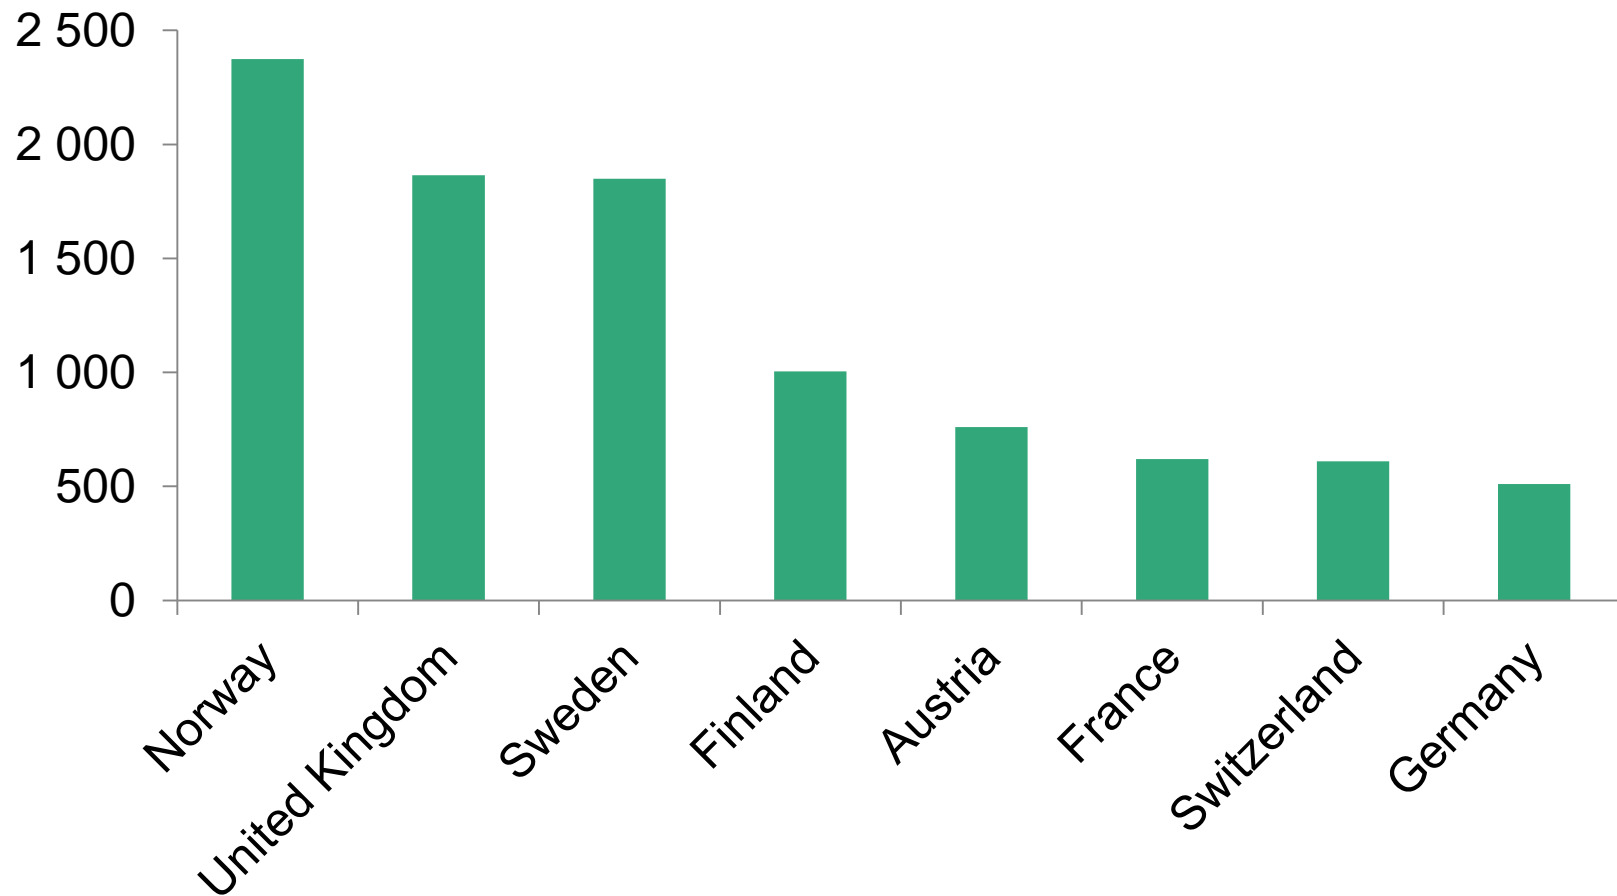

# How to avoid asylum seekers:

- A race to the bottom
- Slower integration

# From asylum to resettlement

- Protection need and identity screened in advance
- Security considerations
- Families coming together
- Less xenophobia
- More confidence in authorities

# 12 557 refugees resettled in 2015

# A changed system
