

## General disclaimer on the Synthesised text document

This document presents the synthesised text for the application of the Convention between the Kingdom of Norway and the Republic of Serbia for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with Respect to Taxes on Income signed on 17 June 2015 (the “Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by the Kingdom of Norway and by the Republic of Serbia on 7 June 2017 (the “MLI”).

The document was prepared on the basis of the MLI position of the Kingdom of Norway submitted to the Depositary upon ratification on 17 July 2019 and of the MLI position of the Republic of Serbia submitted to the Depositary upon ratification on 5 June 2018. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Convention.

The sole purpose of this document is to facilitate the understanding of the application of the MLI to the Convention and the document does not constitute a source of law. The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

Entry into force of the MLI: 1 November 2019 for the Kingdom of Norway and 1 October 2018 for the Republic of Serbia.

In accordance with paragraph 1 of Article 35 of the MLI, the provisions of the MLI shall have effect in each Contracting State with respect to the Convention:

#### Article 4 **Resident**

1. For the purposes of this Convention, the term “resident of a Contracting State” means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that State and any political subdivision or local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:

- 1) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);

In the absence of such agreement, such person shall not be entitled to any relief or exemption from tax provided by this Convention except to the extent and in such a manner as may be agreed upon by the competent authorities of the Contracting States.

## Article 5 Permanent Establishment

1. For the purposes of this Convention, the term “permanent establishment” means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term “permanent establishment” includes especially:

- 4) a factory;
- 5) a workshop, and
- 6) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.

3. A building site or construction or installation project constitutes a permanent establishment only if it lasts more than nine months.

4. Notwithstanding the provisions of paragraphs 1 and 2, where an enterprise of a Contracting State performs services in the other Contracting State

- 1) through an individual who is present in that other State for a period or periods exceeding in the aggregate 183 days in any twelve month period, and more than 50 per cent of the gross revenues attributable to active business activities of the enterprise during this period or periods are derived from the services performed in that other State through that individual, or

- 2) for a period or periods exceeding in the aggregate 183 days in any twelve month period, and these services are performed for the same project or connected projects through one or more individuals who are present and performing such services in that other State

the activities carried on in that other State in performing these services shall be deemed to be carried on through a permanent establishment of the enterprise situated in that other State, unless these services are limited to those mentioned in paragraph 6 which, if performed through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph. For the purposes of this paragraph, services performed by an individual on behalf of one enterprise shall not be considered to be performed by another enterprise through that individual unless that other enterprise supervises, directs or controls the manner in which these services are performed by the individual.

5. **[MODIFIED by paragraph 1 of Article 14 of the MLI]** [For the purposes of paragraph~~s 3 and~~ 4, where an enterprise of a Contracting State that is performing services in the other Contracting State is, during a period of time, associated with another enterprise that performs substantially similar services in that other State for the same project or for connected projects through one or more individuals who, during that period, are present and performing such services in that State, the first-mentioned enterprise shall be deemed, during that period of time to be performing services in the other State for that same project or for connected projects through these individuals. For the purpose of the preceding sentence, an enterprise shall be associated with another enterprise if one is controlled directly or indirectly by the other, or both are controlled directly or indirectly by the same persons, regardless of whether or not these persons are residents of one of the Contracting States.]

*The following paragraph 1 of Article 14 of the MLI replaces part of paragraph 5 of Article 5 of this Convention:*

#### ARTICLE 14 OF THE MLI – SPLITTING-UP OF CONTRACTS

For the sole purpose of determining whether the period referred to in paragraph 3 of Article 5 of the Convention has been exceeded:

- a) where an enterprise of a Contracting State carries on activities in the other Contracting State at a place that constitutes a building site, construction project, installation project or other specific project identified in paragraph 3 of Article 5 of the Convention, and these activities are carried on during one or more periods of time that, in the aggregate, exceed 30 days without exceeding the period referred to in paragraph 3 of Article 5 of the Convention; and

- b) where connected activities are carried on in that other Contracting State at the same building site, construction project, installation project or other specific project identified in paragraph 3 of Article 5 of the Convention during different periods of time, each exceeding 30 days, by one or more enterprises closely related to the first-mentioned enterprise,

these different periods of time shall be added to the aggregate period of time during which the first-mentioned enterprise has carried on activities at that building site, construction project, installation project or other specific project identified in paragraph 3 of Article 5 of the Convention.

6. **[MODIFIED by paragraph 2 and paragraph 4 of Article 13 of the MLI]**  
[Notwithstanding the preceding provisions of this Article, the term “permanent establishment” shall be deemed not to include:

- 1) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
- 2) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
- 3) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
- 4) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;
- 5) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;
- 6) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs 1) to 5), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.]

*The following paragraph 2 of Article 13 of the MLI modifies paragraph 6 of Article 5 of this Convention:*

ARTICLE 13 OF THE MLI – ARTIFICIAL AVOIDANCE OF PERMANENT  
ESTABLISHMENT STATUS THROUGH THE SPECIFIC ACTIVITY EXEMPTIONS  
(Option A)

Notwithstanding Article 5 of the Convention, the term “permanent establishment” shall be deemed not to include:

- a) the activities specifically listed in paragraph 6 of Article 5 of the Convention as activities deemed not to constitute a permanent establishment, whether or not that exception from permanent establishment status is contingent on the activity being of a preparatory or auxiliary character;
- b) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any activity not described in subparagraph a);
- c) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs a) and b),

provided that such activity or, in the case of subparagraph c), the overall activity of the fixed place of business, is of a preparatory or auxiliary character.

*The following paragraph 4 of Article 13 of the MLI applies to paragraph 6 of Article 5 of this Convention as modified by paragraph 2 of Article 13 of the MLI:*

Article 5 of the Convention, as modified by paragraph 2 of Article 13 of the MLI shall not apply to a fixed place of business that is used or maintained by an enterprise if the same enterprise or a closely related enterprise carries on business activities at the same place or at another place in the same Contracting State and:

- a) that place or other place constitutes a permanent establishment for the enterprise or the closely related enterprise under the provisions of Article 5 of the Convention; or
- b) the overall activity resulting from the combination of the activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, is not of a preparatory or auxiliary character,

provided that the business activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, constitute complementary functions that are part of a cohesive business operation.

7. **[REPLACED by paragraph 1 of Article 12 of the MLI]** [~~Notwithstanding the provisions of paragraphs 1 and 2, where a person—other than an agent of an independent status to whom paragraph 8 applies—is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 6 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.~~]

*The following paragraph 1 of Article 12 of the MLI replaces paragraph 7 of Article 5 of this Convention:*

ARTICLE 12 OF THE MLI – ARTIFICIAL AVOIDANCE OF PERMANENT  
ESTABLISHMENT STATUS THROUGH COMMISSIONNAIRE ARRANGEMENTS  
AND SIMILAR STRATEGIES

Notwithstanding Article 5 of the Convention, but subject to paragraph 2 of Article 12 of the MLI, where a person is acting in a Contracting State on behalf of an enterprise and, in doing so, habitually concludes contracts, or habitually plays the principal role leading to the conclusion of contracts that are routinely concluded without material modification by the enterprise, and these contracts are:

- a) in the name of the enterprise; or
- b) for the transfer of the ownership of, or for the granting of the right to use, property owned by that enterprise or that the enterprise has the right to use; or
- c) for the provision of services by that enterprise,

that enterprise shall be deemed to have a permanent establishment in that Contracting State in respect of any activities which that person undertakes for the enterprise unless these activities, if they were exercised by the enterprise through a fixed place of business of that enterprise situated in that Contracting State, would not cause that fixed place of business to be deemed to constitute a permanent establishment under the definition of permanent establishment included in the provisions of Article 5 of the Convention.

8. **[REPLACED by paragraph 2 of Article 12 of the MLI]** [~~An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely~~

~~because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.]~~

*The following paragraph 2 of Article 12 of the MLI replaces paragraph 8 of Article 5 of this Convention:*

ARTICLE 12 OF THE MLI – ARTIFICIAL AVOIDANCE OF PERMANENT ESTABLISHMENT STATUS THROUGH COMMISSIONNAIRE ARRANGEMENTS AND SIMILAR STRATEGIES

Paragraph 1 of Article 12 of the MLI shall not apply where the person acting in a Contracting State on behalf of an enterprise of the other Contracting State carries on business in the first-mentioned Contracting State as an independent agent and acts for the enterprise in the ordinary course of that business. Where, however, a person acts exclusively or almost exclusively on behalf of one or more enterprises to which it is closely related, that person shall not be considered to be an independent agent within the meaning of this paragraph with respect to any such enterprise.

9. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

*The following paragraph 1 of Article 15 of the MLI applies to provisions of this Convention:*

ARTICLE 15 OF THE MLI – DEFINITION OF A PERSON CLOSELY RELATED TO AN ENTERPRISE

For the purposes of the provisions of Article 5 of the Convention, a person is closely related to an enterprise if, based on all the relevant facts and circumstances, one has control of the other or both are under the control of the same persons or enterprises. In any case, a person shall be considered to be closely related to an enterprise if one possesses directly or indirectly more than 50 per cent of the beneficial interest in the other (or, in the case of a company, more than 50 per cent of the aggregate vote and value of the company's shares or of the beneficial equity interest in the company) or if another person possesses directly or indirectly more than 50 per cent of the beneficial interest (or, in the case of a company, more than 50 per cent of the aggregate vote and value of the company's shares or of the beneficial equity interest in the company) in the person and the enterprise.

Chapter III  
**Taxation of Income**

Article 6  
**Income from Immovable Property**

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.
2. The term “immovable property” shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property (including livestock and equipment used in agriculture and forestry), rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, aircraft and road vehicles shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

Article 7  
**Business Profit**

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.
2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.
4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.
5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.
6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
7. Where profits include items of income which are dealt with separately in other Articles of this Convention, then the provisions of those Articles shall not be affected by the provisions of this Article.

## Article 8 **International Traffic**

1. Profits of an enterprise of a Contracting State from the operation of ships, aircraft or road vehicles in international traffic shall be taxable only in that State.
2. Profits of an enterprise of a Contracting State from the use, maintenance or rental of containers (including trailers, barges and related equipment for the transport of containers) used for the transport of goods or merchandise by that enterprise in international traffic shall be taxable only in that State where such use, maintenance or rental is supplementary or incidental to the operation of ships, aircraft or road vehicles in international traffic.
3. The provisions of paragraphs 1 and 2 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

Article 9  
**Associated Enterprises**

1. Where
  - 1) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
  - 2) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of that State – and taxes accordingly – profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Convention and the competent authorities of the Contracting States shall if necessary consult each other.

Article 10  
**Dividends**

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed:
  - 1) **[MODIFIED by paragraph 1 of Article 8 of the MLI]** [5 per cent of the gross amount of the dividends if the beneficial owner is a company

(other than a partnership) which holds directly at least 25 per cent of the capital of the company paying the dividends];

*The minimum holding period provided in the following paragraph 1 of Article 8 of the MLI replaces the minimum holding period in subparagraph 1) of paragraph 2 of Article 10 of this Convention:*

#### ARTICLE 8 OF THE MLI – DIVIDEND TRANSFER TRANSACTIONS

Subparagraph 1) of paragraph 2 of Article 10 of the Convention shall apply only if the ownership conditions described in those provisions are met throughout a 365 day period that includes the day of the payment of the dividends (for the purpose of computing that period, no account shall be taken of changes of ownership that would directly result from a corporate reorganisation, such as a merger or divisive reorganisation, of the company that holds the shares or that pays the dividends).

- 2) 15 per cent of the gross amount of the dividends in all other cases.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. Notwithstanding the provisions of paragraph 2, where dividends are derived and beneficially owned by the Government of a Contracting State, such dividends shall be taxable only in that State. For the purposes of this paragraph, the term “Government of a Contracting State” shall include:

- 1) In Norway:
  - (1) the Central Bank of Norway;
  - (2) the Government Pension Fund Global; and
  - (3) any entity wholly or mainly owned or established by the Government of Norway as may be agreed from time to time between the competent authorities of the Contracting States;
- 2) In Serbia:
  - (1) the National Bank of Serbia; and

- (2) any entity wholly or mainly owned or established by the Government of Serbia as may be agreed from time to time between the competent authorities of the Contracting States.

4. The term “dividends” as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights that is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident, and income from arrangements carrying the right to participate in profits to the extent so characterized under the laws of the Contracting State in which the income arises.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein, or performs in that State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

7. **[REPLACED by paragraph 1 of Article 7 of the MLI]** ~~[The provisions of this Article shall not apply if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the shares or other rights in respect of which the dividends are paid to take advantage of this Article by means of that creation or assignment.]~~

## Article 11 Interest

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises and according to the laws of that State, but if the beneficial owner of the interest

is a resident of the other contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2, interest arising in a Contracting State and paid to a resident of the other Contracting State shall be taxable only in that other State if the recipient is the beneficial owner of such interest and such interest is derived by:

- 1) the Government of the other Contracting State or political subdivisions or local authorities thereof;
- 2) the Central or National Bank of the other Contracting State;
- 3) a financial institution controlled or mainly owned by the Government of the other Contracting State or political subdivisions or local authorities thereof.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profit, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State.
