

**Seed deposits February 2023**

	Country	Accessions	Boxes	Species	Notes
Plant Gene Resources of Canada	Canada	2740	15	109 species/subspecies, all crop groups, highest numbers: wheat, barley and peas	
ILRI	Ethiopia	951	1	161 species/subspecies, legumes and forage plants	
Millennium Seed Bank, Kew Garden	United Kingdom	25	1	24 species, CWR to vegetables, legumes, berries, forage crops etc.	First regular single species accession deposit from MSN
Suceava Genebank "Mihai Cristea"	Romania	99	1	15 species/subspecies. Cereals, incl. maize	
Agricultural University of Tirana	Albania	290	6	three species, maize and two bean species	First time depositor, BOLD grantee
Julius Kühn Institute	Germany	1	to Box 1	1 accession of wild strawberry (filling up existing box)	
National Agrobiodiversity Center	South-Korea	4000	6	20 species, 2500 rice, hundreds of barley, peppers, radish, sorghum, smaller numbers of onions, other vegetables and cereals	
IPK	Germany	2761	6	699 species/subspecies, all crop groups	The most diverse deposit, accession wise
ICRISAT	India	4000	12	44 species/subspecies,	
METK (former ECRI)	Estonia	103	to Box 1	30 species/subspecies, cereals, vegetables, forages etc.	
National Plant Genebank, Ministry of Agriculture	Croatia	161	3	7 species, mostly wheat, barley and maize, some vegetables	First time depositor
Fabia CSB Bogdanci	North-Macedonia	144	2	24 species, 65 beans and vegetables	First time depositor, BOLD grantee
National Agricultural and Food Centre	Slovakia	150	1	130 wheat, + other cereals, vegetables and forages	
APGRC	Sudan	200	1	11 species. 142 sorghum + mainly legumes	
Institut d'Economie Rurale	Mali	1565	8	9 species, rice, sorghum, maize, pearl millet, fonio, watermelon, groundnut and wheat	BOLD support
John Innes Centre Genetic Resources Unit	United Kingdom	599	1	5 wheat species, including one hybrid	
Institute of Cereal Crop Improvement, Tel Aviv University	Israel	41	1	18 species, cereals incl. cereal cwr	Followed by an Israeli TV team
NordGen	Nordic countries	725	1	99 species/subspecies. All crop groups	
GRIGADEB	Benin	427	1	9 species/subspecies, maize, sorghum, Pearl millet, rice, soybean, groundnut, lens, macrotyloma	BOLD support, first time depositor
AfricaRice	Cote d'Ivoire	603	1	7 rice species and hybrids
