Støtt høringssvaret til Oslo Kiteklubb

**STØTT HØRINGSSVARET TIL OSLO KITEKLUBB!**

**Til: Samferdselsdepartementet**

Regjering og Samferdselsdepartementet vil ha økt trygghet på sjøen med en nullvisjon om ulykker på sjøen. I den forbindelse har myndighetene satt sammen en tverrfaglig arbeidsgruppe som har fått i oppgave å komme med forslag til ny forskrift om fartsgrenser og sikkerhet på sjøen.

Forslaget til ny "forskrift om fartsgrenser i sjøen" vil påvirke handlingsrommet til alle kitere på sjøen i Norge dersom den vedtatt slik den er foreslått i skrivende stund. Forskriften foreslår en generell fartsgrense på 5 knop 100 meter fra land for «fritidsfartøy».

Dersom kitere blir definert som et «fartøy» og samtidig blir definert som «fritidsfartøy» på grunn av hastighetene en kiter kan oppnå innenfor 100 metersonen, så betyr det i praksis at kiteaktivitene i Norge ikke kan gjennomføres og at den da anses som forbudt.

Oslo Kiteklubb har sett det som nødvendig å gi et tilsvaret til ny foreslått forskrift og samtidig sett på dette som en gylden mulighet til å formidle hvilke utfordringer kiterne står i dersom ny forskrift blir vedtatt.

Ved å skrive under på denne kampanjen så stiller du deg bak høringssvaret fra Oslo Kiteklubb som er sendt til Regjeringen.

Din underskrift er viktig for at det fortsatt skal være mulig å kite i Norge på sjøen!
