(c) Up to the remaining funds upon MFA’s approval of the narrative and financial reports for the first 6 months of 2011.

UNDP shall promptly upon identification in writing acknowledge receipt of the funds.

2. After consultation with UNDP, MFA may withhold disbursements in case of:

MFA may claim repayment in full or in part of funds from the contribution to the extent UNDP has been able to obtain repayment from the negligent party if the funds are found to be misused or not satisfactorily accounted for. Such repayment shall be in accordance with the Financial Regulations and Rules of the UNDP. Before withholding disbursement or reclaiming payment UNDP and MFA shall consult with a view to resolving promptly the matter. UNDP reserves the right to reduce, suspend or terminate the activities, in its sole discretion.

Article III. Utilization of the Contribution

1. The implementation of the responsibilities of UNDP pursuant to this Agreement and the Project Document shall be dependent on receipt by UNDP of the contribution in accordance with the schedule of payment as set out in Article II, Paragraph 1.

2. If unforeseen increases in expenditures or commitments are expected or realized (whether owing to inflationary factors, fluctuation in exchange rates or unforeseen contingencies), UNDP shall submit to MFA on a timely basis a supplementary estimate showing the further financing that will be necessary.

3. If the payments referred to in Article II, Paragraph 1 are not received in accordance with the payment schedule, or if the additional financing required in accordance with Paragraph 2 above is not forthcoming from MFA or other sources, the assistance to be provided to the Project under this Agreement may be reduced, suspended or terminated by UNDP.

Article IV. Administration and reporting

1. For the implementation of this Agreement MFA shall be represented by the Royal Norwegian Embassy in Luanda, Angola and UNDP by the Team Leader, Poverty Reduction Programme, UNDP DRC. All communication concerning the Project shall be between the abovementioned representatives.

2. Representatives of MFA and UNDP shall have annual consultations once a year, tentatively in February, in accordance with the Framework Agreement Article VIII, in order to:

b. discuss possible revisions of plans and budgets
c. discuss issues of special concern for the implementation of the Project.

Representatives from DRC will be invited to the annual consultations.

3. The documents specified in the Framework Agreement Articles V and VI shall form the basis for the annual consultations.
4. Project management and expenditures shall be governed by the Financial Regulations and Rules of UNDP. If matters arise during the execution of the Project, which are considered by UNDP of substantive character, UNDP shall inform and consult with MFA. UNDP shall ensure that the contribution is recorded in the accounts of UNDP and reported together with all other non-core (Other resources) contributions to UNDP from Norway.

5. UNDP headquarters and country office shall provide reporting to MFA as outlined in the Framework Agreement prepared in accordance with UNDP accounting and reporting procedures.

6. If special circumstances so warrant, UNDP may provide more frequent reporting at the expense of MFA. The specific nature and frequency of this reporting shall be specified in an annex of the Agreement.

**Article V. Evaluation**

All UNDP programmes and projects are evaluated in accordance with UNDP Evaluation Policy. UNDP and the DRC Government in consultation with other stakeholders will jointly agree on the purpose, use, timing, financing mechanisms and terms of reference for evaluating a project including an evaluation of its contribution to an outcome which is listed in the Evaluation Plan. UNDP shall commission the evaluation, and the evaluation exercise shall be carried out by external independent evaluators.

**Article VI. Equipment**

Ownership of equipment, supplies and other properties financed from the contribution shall vest in UNDP. Matters relating to the transfer of ownership by UNDP shall be determined in accordance with the relevant policies and procedures of UNDP.

**Article VII. Management and Support Services**

1. In accordance with the decisions and directives of UNDP’s Executive Board reflected in its Policy on Cost Recovery from Other Resources, the Contribution shall be subject to cost recovery for indirect costs incurred by UNDP headquarters and country office structures in providing General Management Support (GMS) services. To cover these GMS costs, the contribution shall be charged a fee equal to 7%. Furthermore, as long as they are unequivocally linked to the specific Project, all direct costs of implementation, including the costs of executing entity or implementing partner, will be identified in the Project budget against a relevant budget line and borne by the Project accordingly.

2. The aggregate of the amounts budgeted for the Project, together with the estimated costs of reimbursement of related support services, shall not exceed the total resources available to the project under this Agreement as well as funds which may be available to the Project for Project costs and for support costs under other sources of financing.

**Article VIII. Audit**

Arrangements for audit of Project activities are as set forth in the Framework Agreement.

**Article IX. Completion, termination and amendments**

1. UNDP shall notify MFA when all activities relating to the Project have been completed.

2. After consultations have taken place between MFA, UNDP and the Government of DRC, and provided that the payments already received are, together with other funds available to the Project, sufficient to meet
all commitments and liabilities incurred in the implementation of the Project, this Agreement may be terminated by UNDP or by MFA. The Agreement shall cease to be in force 30 (thirty) days after either of the Parties have given notice in writing to the other Party of its decision to terminate the Agreement.

3. Notwithstanding termination of this Agreement, UNDP shall continue to hold unutilized payments until all commitments and liabilities incurred in implementation of the Project up to the date of termination have been satisfied and the Project activities brought to an orderly conclusion.

4. Any payments that remain unexpended after such commitments and liabilities have been satisfied may be utilized for the benefit of other activities within the Project upon agreement between the Parties.

5. The Agreement may be amended through an exchange of letters between MFA and UNDP. The letters exchanged to this effect shall become an integral part of the Agreement.

**Article X. Entry into Force**

1. This Agreement shall enter into force upon its signature by both Parties and shall remain in force until all obligations arising from it have been fulfilled and all commitments and liabilities incurred in the implementation of the Project have been satisfied. Whether these obligations shall be regarded as fulfilled shall be determined in consultations between the Parties.

IN WITNESS WHEREOF, the undersigned, acting on behalf of their respective institution, have signed the present Agreement in the English language in two copies.
